### LIFE IN CHRIST - REFLECTIONS FROM OUR RESOURCE PRIEST, THE REV. SARAH NELSON

#### ***Christmas Eve***

No matter the year, no matter the day, no matter what has or has not been accomplished, there is that moment: that moment when it is Christmas. For me, that moment seems to come when, after the celebration of the Eucharist, the lights in the sanctuary are dimmed, a candle is lit, and that light shared around the entire gathering of God's beloved, all who are gathered kneel and in one voice the congregation joins in the singing of that beautiful hymn "Silent Night, Holy Night, All is calm, All is bright..." In those moments, indeed, the world for an instant becomes calm, the light of the incarnation of God beams bright. For me in that moment, it is Christmas. In those precious moments, I become acutely aware of that child lying beneath that star with those parents standing alert watching over this child. Shepherds, angels, animals are all part of the portrait. God declares in that moment that age-old covenant promise, "Immanuel": that is, God with us.

In these strange and odd times, that moment of peace, that time-honored pause, that age-old tradition of recognizing that God's love for us is so great that God chose to come and dwell among us. This year, that pause will occur in a different fashion. I find my emotions very near to the surface. There is a palpable void and loss in anticipating this Christmas Eve knowing how different it will be. ... [Read More](#)

## Christmas Bazaar

**THANK YOU! THANK YOU! THANK YOU!**

We wish to thank our St. Barnabas community for your generous donations and for purchasing our soup, chili, cookies, and paper whites! We raised almost \$4,000, which will be used to support our outreach ministries! This is **OUTSTANDING** and our parish should be very proud of this!

Special thanks to Beth Winward for taking the orders, running off order forms, and keeping a tally of the orders! Also thanks to Leslie Walker for making the “cookie walk” happen; to Bud and Cathy Cooling for donating and making the chili; Sarah Smith for making the soup; and last but certainly not least to Joan Yulduzian for donating her lovely paperwhite arrangements. Thanks also to our volunteers, Craig Brosi and Allan Okuniewski.

Stay tuned for **phase two** of our fundraising efforts in early spring, when we will raffle off a quilt made by Laura Gracie!

God bless us, everyone!

**Holy Eucharist Drive-Through**  
**This Wednesday, December 23rd**  
**Between 10:30-11:30 a.m.**

The Eucharist is the primary worship of our community. Most every gathering of God's people finds God's feeding of God's people at its core. In the Episcopal Church, we reveal our Protestant and catholic coming together as we say, "Take, eat: this is my Body," followed quickly by, "Take them in remembrance of me." Indeed, the Bread is consecrated and becomes the Body of Christ, here present and among us. The Bread is also a Remembrance of our Savior who lived and died among us, using his dying and rising for us.

Needless to say, these weeks and months of the COVID virus have impacted how we celebrate God's most Holy meal. For some who are not able to join together in the sanctuary, this absence of the Eucharist is acute and painful. **Beginning Wednesday, December 2nd and continuing every Wednesday morning as long as there is the need, you are welcome to drive through the parking lot at St Barnabas between 10:30 and 11:30 a.m. to receive the Body of Christ.** Masks, gloves, hand sanitizer, and outdoor space will all be in place to keep us safe. You will stay in your car and I will offer you the Sacrament.

I hope that this sharing of our Eucharist will be helpful to you.

Faithfully,  
Rev. Sarah Nelson

**Being with Grief Virtual Group**  
**No meeting December 28th**

The Being with Grief Support Group will no longer meet "under the oaks" due to weather. However, we will continue to meet **in 2021** on the 2nd and 4th Mondays from 12:00 - 1:30 p.m. **using Zoom! January dates we will meet**

**are January 11th and 25th.** A Zoom link will be emailed to anyone interested in participating in this source of support. If you are curious, know someone who needs support, or are in need of support yourself, please contact Mary Van House (see below) for more information or to be added to the email list.

The journey of grief is painful and lonely. No one should travel this road alone. In this time of COVID-19, it is even more difficult to connect with others. Whether your loss was 3 months ago, 3 years ago or 3 decades ago, you are welcome to join this therapist-led group for understanding your personal grief, encouragement and support.

### **2021 STEWARDSHIP CAMPAIGN**

#### **“All Things in Love” 1 Cor 14-16**

2020 has been a year of change and challenge for St. Barnabas as we battle the pandemic and its effects on our daily lives, continue to move forward with the capital campaign and bring our search for a new rector to a conclusion. As we prepare for the new year, we will face new challenges as Fr. Kenneth Katona arrives in January and begins his ministry among us with one of the main emphases being to grow St. Barnabas during these challenging times. Please see this video below from our wardens Ed Rowles and Joanne Figliola, including vestry members Pat McDonald and Lydia York talking about the importance of Stewardship and support for St Barnabas.

Financially, St Barnabas has been impacted by the pandemic with decreases in pledge and plate income, and a loss of some rental income. Pledge income has dropped from about \$275k in prior years, to about \$225-\$245k in 2020. The Finance Committee has targeted pledge to increase by 6-12% to achieve the target budget of \$260k in pledge commitments for 2021. This will allow us to stabilize the church financials for 2021 even though we will need to draw on our endowment fund and still have a deficit that will be funding from cash savings. We believe that things will return to ‘normal’ in 2022.

At this stage, all we need from you is a pledge, which will be kept confidential.

Your pledge is an offering to God, an investment in St Barnabas as your spiritual home. On behalf of the vestry and finance committee, we ask that you prayerfully consider your pledge for the upcoming year.

**There are 3 ways to submit your pledge:**

1. Return the pledge card that has been mailed to you to the church office by Monday, December 14th or at the 11:00 AM worship service on Sunday, December 13th.
  - Click the link to view a copy of the [Stewardship letter](#).
  - Click the link to view a copy of the [pledge card](#).
2. Submit your [online pledge form](#) on our website. Click the red Stewardship button (on Home Page) which will take you to the pledge form.
3. You also have the option to donate directly on line via the [DONATE](#) button via paypal or credit card.

## STEWARDSHIP CAMPAIGN UPDATE

To date we have received **60 pledges totaling \$146,719.00**. This includes **24 increased pledges** over last year and **5 new pledges**. We need your participation and support for our ministries in the new year. Please pledge today. Thanks to all who have already pledged!

## CAPITAL CAMPAIGN UPDATE

We have completed the first three phases of the Capital Campaign upgrades:

1. New flooring and carpet in the sanctuary
2. New upgraded sound system
3. New Cornell-Zimmer organ

The final phase of the sanctuary upgrades are now in the planning stages:

1. New front doors
2. New windows
3. Paint inside of the sanctuary
4. Other miscellaneous upgrades to the sanctuary

We will begin the final phase of sanctuary upgrades after we have received adequate funds to complete them.

The Capital Campaign committee will be sending out campaign pledge statements to everyone in the next couple of weeks. Due to the pandemic, the deadline for completing the Capital Campaign has been extended to June 1, 2021, to allow adequate time for the final contributions to be received. A big **THANK YOU!** to everyone who has contributed to the very successful Capital Campaign.

Below is a summary of the Income and Expenses for the Capital Campaign.

## **NOTICES**

### **NOTES FROM THE MUSIC DIRECTOR**

My dear friends in Christ,

Because of the pandemic, we will not be able to meet for worship this Sunday, the 4th Sunday of Advent, when we celebrate the angel Gabriel's visit to Mary, often referred to as the Annunciation. Even more disappointing, we will not be

able to meet on Christmas Eve either. To say the least, the holiday season has been unusual and strange. I think the thing that I have missed the most has been our inability as a congregation to gather and sing the great hymns of Advent, and then on Christmas Eve, will not be able to gather and sing our favorite carols. We will celebrate Christmas Eve and Christmas Day in the warmth and security of our houses with our families. As strange, and in some ways as disappointing, as this holiday season has been, most importantly, we must keep our hearts and our minds focused on why we celebrate Christmas – of course, that being the birth of our Savior. Especially as Advent comes to an end, we remember that the wood of the manger foretells the wood of the cross, where heaven and earth are truly reconciled, and all our sins are forgiven.

One of my favorite Christmas carols has always been “The First Noel,” the tune of which is an English folk song of Cornish origin. Its current form was first published in *Carols Ancient and Modern* (1823) and *Gilbert and Sandys Carols* (1833), both of which were edited by William Sandys and arranged, edited, and with extra lyrics written by Davies Gilbert for *Hymns and Carols of God*. The melody is unusual among English folk melodies because it consists of one musical phrase repeated twice, followed by a refrain which is a variation on that phrase. All three phrases end on the third note of the scale which is quite unusual. Today, “The First Nowell” is usually performed in a four-part hymn arrangement by the English composer John Stainer, that was first published in his *Carols, New and Old* in 1871.

I invite you to copy or click on the following link and listen to a most beautiful performance of “The First Noel” as presented by The Tabernacle Choir and Orchestra at Temple Square (formerly called The Mormon Tabernacle Choir), conducted and arranged by Music Director Mack Wilberg. You might be humming the tune all day!

## VIRTUAL MINI ORGAN PERFORMANCE

Our new Cornell-Zimmer organ is such a magnificent instrument! Dr. Larkin is excited to show us some of the many different styles and tones that it can make.

In this first of several virtual programs that Dr. Larkin will be performing, he will play four different pieces that will highlight organ Stops of other instruments to give us an idea what amazing sounds this organ can do! From hearing the "solo instrumental sounds of oboe and flute" as he plays that favorite hymn "Amazing Grace" to a lively African/American spiritual "Ain't A That Good News," using more Stops, it will give you the opportunity to appreciate the organ's beautiful sounds and "colors"!

## CAMP ARROWHEAD

Camp Arrowhead:  
35143 Homestead Way, Lewes, DE 19958

23 November, 2020

Dear Parish Families,

This information concerning camper registration for the 2021 summer season is coming to you on the late side and I apologize right up front. Teri Valente our director has been in conversation with the American Camping association, the Center for Episcopal Camps and Conferences and the State of Delaware department of Health Services working hard to determine the safest scenario on how to proceed given the current COVID status and projection for the 2021 summer season.

Within the past week we made the decision to open summer registration on December 1st at 55% under the assumption if conditions did not change, these would be the camper/staff numbers we feel we could safely operate with. All 2019 camper families have been advised of our plans via email. In this mail we stressed that there will be campers from long time camper families, alumni, donors and our Delaware Episcopal Church community that will find their choice full, and the importance of placing the camper's name on the waiting list for their chosen session. Praying that success with vaccines and common

sense will allow us to increase our registration number next spring, we will contact families in the order they appear on these lists for placement.

Included in this mailing are [posters and general brochures](#). We would really appreciate it if you could post them in your information area. As always, the website [www.camparrowhead.net](http://www.camparrowhead.net), has lots of information about the camp and program, which can easily be passed on to anyone with a question. A call to the camp office is always welcome as well.

Thanks for your help and stay safe!

Executive Director

### FAMILY PROMISE NEWS

Our three service weeks for Family Promise 2021 are::

\*10-day program: Thursday 1/7 thru Saturday 1/16/21

\*Wk 2: Wk 4/18/21 (Sun - Sat)

\*Wk 3: Wk 7/18/21 (Sun - Sat)

With COVID restrictions, our work is limited to preparing and delivering meals to 2-3 families staying at a hotel in the Christiana area. Family Promise continues to work with the families to accomplish those things that enable them to find and remain in permanent housing, typically within 45-60 days. Once rehoused, Family Promise continues to work with the family to ensure their success in maintaining housing.

Do you have a favorite holiday meal or casserole dish to pass? We are always looking for volunteers interested in preparing or purchasing some portion of the dinner for Tuesday and Thursday nights. During our last session in July, a few of us would drive and meet at the hotel, to deliver the meals to the families.

**Kitchen Tools**. The hotel room is equipped with a refrigerator, microwave, and 2-burner stove, and minimal utensils and dishes. When a new family joins the program, we have found it helpful to provide just a few additional kitchen supplies, such as an electric skillet, basic cooking utensils, etc. Please keep it in mind if you find you have something helpful to donate, as Family Promise is occasionally looking for this type of donation.

While we are active in this program 3 weeks each year, the wonderful work you do literally cares for families the entire year. Without a full slate of volunteer churches, the calendar schedule and program would fall apart. This is the only shelter program in Delaware that enables a family to stay together at a time of stress, and is also the most successful program in New Castle County, thanks to their excellent program and the personal touch of each volunteer. Thank you for all your support, donations, volunteerism, and prayers for this ministry and volunteers.
