LIFE IN CHRIST - REFLECTIONS FROM OUR RESOURCE PRIEST, THE REV. SARAH NELSON

The Body of Christ Broken for You

“The Body of Christ broken for you.” With those simple words, we receive the most precious body of our Lord and Savior Jesus Christ. Finding ourselves somewhere between the Catholic “This IS the Body of Christ” and the Protestant “Take this in remembrance of me,” we gather at the table to be fed, to be nourished, to be empowered by our gracious God. It is such a joy and a privilege to be part of such a celebration.

Many years ago, when the ordination of women was still being debated, a friend, soon to be the second woman ordained to the priesthood in the Episcopal Church, once told me, “I have been setting the table, preparing and serving the meal, and then sending people back out into the world to do their work and live their lives. As a priest, I will continue to do just that, except now I will be the honored assistant of our God.” My friend went on to be ordained. For me, though, her words have lingered on in my heart and my being: the participation and feeding of God’s people are at the core of our being. “The Body of Christ broken for you.” ... Receive the Body of Christ
This Wednesday, December 9th
Between 10:30-11:30 a.m.

The Eucharist is the primary worship of our community. Most every gathering of God's people finds God's feeding of God's people at its core. In the Episcopal Church, we reveal our Protestant and catholic coming together as we say, "Take, eat: this is my Body," followed quickly by, "Take them in remembrance of me." Indeed, the Bread is consecrated and becomes the Body of Christ, here present and among us. The Bread is also a Remembrance of our Savior who lived and died among us, using his dying and rising for us.

Needless to say, these weeks and months of the COVID virus have impacted how we celebrate God's most Holy meal. For some who are not able to join together in the sanctuary, this absence of the Eucharist is acute and painful. **Beginning Wednesday, December 2nd and continuing every Wednesday morning as long as there is the need, you are welcome to drive through the parking lot at St Barnabas between 10:30 and 11:30 a.m. to receive the Body of Christ.** Masks, gloves, hand sanitizer, and outdoor space will all be in place to keep us safe. You will stay in your car and I will offer you the Sacrament.

I hope that this sharing of our Eucharist will be helpful to you.

Faithfully,
Rev. Sarah Nelson

Being with Grief Virtual Group
Mon., December 14th - 12:00 - 1:30 p.m.
(No meeting December 28th).

The Being with Grief Support Group will no longer meet "under the oaks" due to weather. However, we will continue to meet on the 2nd and 4th Mondays from 12:00 - 1:30 p.m. (except December 28th) **using Zoom!** A Zoom link will be emailed to anyone interested in participating in this source of support. If you are curious, know someone who needs support, or are in need of support

yourself, please contact Mary Van House (see below) for more information or to be added to the email list.

The journey of grief is painful and lonely. No one should travel this road alone. In this time of COVID-19, it is even more difficult to connect with others. Whether your loss was 3 months ago, 3 years ago or 3 decades ago, you are welcome to join this therapist-led group for understanding your personal grief, encouragement and support.

FINANCE / BUDGET

2021 Stewardship Campaign “All Things in Love” 1 Cor 14-16

2020 has been a year of change and challenge for St. Barnabas as we battle the pandemic and its effects on our daily lives, continue to move forward with the capital campaign and bring our search for a new rector to a conclusion. As we prepare for the new year, we will face new challenges as Fr. Kenneth Katona arrives in January and begins his ministry among us with one of the main emphases being to grow St. Barnabas during these challenging times. Please see this video below from our wardens Ed Rowles and Joanne Figliola, including vestry members Pat McDonald and Lydia York talking about the importance of Stewardship and support for St Barnabas.

Financially, St Barnabas has been impacted by the pandemic with decreases in pledge and plate income, and a loss of some rental income. Pledge income has dropped from about \$275k in prior years, to about \$225-\$245k in 2020. The Finance Committee has targeted pledge to increase by 6-12% to achieve the target budget of \$260k in pledge commitments for 2021. This will allow us to stabilize the church financials for 2021 even though we will need to draw on our endowment fund and still have a deficit that will be funding from cash savings. We believe that things will return to 'normal' in 2022.

At this stage, all we need from you is a pledge, which will be kept confidential. Your pledge is an offering to God, an investment in St Barnabas as your spiritual home. On behalf of the vestry and finance committee, we ask that you

prayerfully consider your pledge for the upcoming year.

There are 3 ways to submit your pledge:

1. Return the pledge card that has been mailed to you to the church office by Monday, December 14th or at the 11:00 AM worship service on Sunday, December 13th.

- Click the link to view a copy of the [Stewardship letter](#).
- Click the link to view a copy of the [pledge card](#).

2. Submit your [online pledge form](#) on our website.

Click the red Stewardship button (on Home Page) which will take you to the pledge form.

3. You also have the option to donate directly on line via the [DONATE](#) button via paypal or credit card.

CAMP ARROWHEAD

Camp Arrowhead:
35143 Homestead Way, Lewes, DE 19958

23 November, 2020

Dear Parish Families,

This information concerning camper registration for the 2021 summer season is coming to you on the late side and I apologize right up front. Teri Valente our director has been in conversation with the American Camping association, the Center for Episcopal Camps and Conferences and the State of Delaware department of Health Services working hard to determine the safest scenario on how to proceed given the current COVID status and projection for the 2021 summer season.

Within the past week we made the decision to open summer registration on December 1st at 55% under the assumption if conditions did not change, these would be the camper/staff numbers we feel we could safely operate with. All 2019 camper families have been advised of our plans via email. In this mail we stressed that there will be campers from long time camper families, alumni, donors and our Delaware Episcopal Church community that will find their choice full, and the importance of placing the camper's name on the waiting list for their chosen session. Praying that success with vaccines and common sense will allow us to increase our registration number next spring, we will contact families in the order they appear on these lists for placement.

Included in this mailing are [posters and general brochures](#). We would really appreciate it if you could post them in your information area. As always, the website www.camparrowhead.net, has lots of information about the camp and program, which can easily be passed on to anyone with a question. A call to the camp office is always welcome as well.

Thanks for your help and stay safe!

Intentional Love

*Do not be dismayed by the brokenness of the world.
All things break. And all things can be mended.
Not with time, as they say, but with intention.
So go. Love intentionally, extravagantly,
unconditionally.
The broken world waits in darkness for the light that
is you.

Some of you have already read Ibram Kendi's latest book, some of you are in the process of reading it, and others of you may have it on your TBR list. Well, there is good news. **Province III of the Episcopal Church** has organized a bookclub to read and discuss the book over several weeks. I highly recommend the support of a bookclub to help you process the book. Take my word for it, it's not easy reading.
