**Holy Eucharist Drive-Through  
Wednesday, February 24, 2021  
Between 10:30-11:30 a.m.**

The Eucharist is the primary worship of our community. Most every gathering of God's people finds God's feeding of God's people at its core. In the Episcopal Church, we reveal our Protestant and catholic coming together as we say, "Take, eat: this is my Body," followed quickly by, "Take them in remembrance of me." Indeed, the Bread is consecrated and becomes the Body of Christ, here present and among us. The Bread is also a Remembrance of our Savior who lived and died among us, using his dying and rising for us.

Needless to say, these weeks and months of the COVID virus have impacted how we celebrate God's most Holy meal. Because we are not able to join together in the sanctuary, the absence of the Eucharist can be acute and painful. **Therefore, every Wednesday morning as long as there is a need, you are welcome to drive through the parking lot at St Barnabas between 10:30 and 11:30 a.m. to receive the Body of Christ. Note that when you arrive, please call the church office (302-994-6607) so that we know you are in the parking lot and Fr. Kenn will come outside. The colder weather makes it uncomfortable for Fr. Kenn to stand outside for any length of time.** Masks, gloves, hand sanitizer, and outdoor space will all be in place to keep us safe. You will stay in your car and I will offer you the Sacrament.

I hope that this sharing of our Eucharist will be helpful to you.

Faithfully,  
Rev. Kenn Katona

## 2021 Budget Summary- Important to Review:

It is important that the parish is aware of the financial strain that St Barnabas is currently under in 2021. We have seen a drop of about \$50,000 in income (mostly pledge/plate- \$40k and lost room rental and misc. income --\$10k) since 2018. Some of this is due to the COVID situation but some may also be due to a downward trend in giving that may continue after COVID.

Our expenses have also returned to a more normal level now that we have a full-time rector. We have tightened our belt in all areas to help balance the budget.

Luckily, we have been exceptionally good stewards of the church financials and have saved the recent surpluses from prior years. This has provided us with enough cash in savings to cover the large deficit in 2021, however, we will need to have a balanced budget in 2022, since the savings will be mostly depleted.

As 2021 progresses, we hope to see some relief from COVID and a return to normal by fall. The finance team and the Vestry will continue to monitor the situation and will make adjustments as needed to ensure that St Barnabas can look to the future and meet the needs of the congregation.

Below is a high-level summary of the 2021 budget as approved by the Vestry:

Total income (w/o endowment draw)	\$350k
Total expenses	\$435k
Gap	(\$85k)

Actions taken by Vestry to help balance the budget:

Endowment draw	\$20k increases income
Loan refinance	\$10k reduces expenses
Additional PPP loan	NA Potentially not available
Current proposed budget	(-\$55k) deficit

Available operating cash (not counting memorial fund or reserves)	\$87k
Cash draw by 6/30/21	(-\$27k) \$60k cash
Cash draw by 12/31/21	(-\$55k) \$32k cash
Cash needed to operate church	-\$20k
Remaining available cash at year end	\$13k

If you have any questions, please contact a member of the Vestry or Finance

## EVENTS OF INTEREST FROM AROUND THE COMMUNITY

*Don't miss the Challenge!*

**21 Day Racial Equity &  
Social Justice Challenge  
Eliminating Racism |  
Empowering Women |  
YMCA**

---

Dear Friends,

YWCA Delaware and the Delaware Racial Justice Collaborative are joining together along with over 50 YWCA sister associations across the country for a new 21-Day Racial Equity and Social Justice Challenge.

The 21-Day Racial Equity and Social Justice Challenge is designed to create dedicated time and space to build more effective social justice habits, particularly those dealing with issues of race, power, privilege, and leadership. Our challenge starts on Monday, March 1st and continues (Monday–Friday) through March 29th.

Each day of the challenge you will be presented with activities such as reading an article, listening to a podcast, reflecting on personal experience and more. Participation in an activity like this helps us to discover how racial injustice and social injustice impact our community, to connect with one another, and to identify ways to dismantle racism and other forms of discrimination.

We hope that you will go into this challenge with an open heart and an open mind, ready to be pushed out of your comfort zone. We know these discussions can be difficult and can bring up powerful emotions, but your commitment to increasing your awareness is what will help move our community forward.

This is an exciting opportunity to dive deep into racial equity and social justice. **Simply register [HERE](#)** .

If you are interested in becoming a sponsored partner of the challenge, please contact: [rcotto@ywcade.org](mailto:rcotto@ywcade.org) for more information.

## FAMILY PROMISE NEWS

A huge thank you to all who offered their help for our January Family Promise meal prep and delivery. Your help and flexibility enabled us to provide dinners for 3 families experiencing temporary homelessness.

It was definitely a big week of outreach from our hearts, as it coincided with others serving the needs of Emmanuel Dining Room on the 15th, our third Friday dinner on 1/15 for the men's shelter of Friendship House, and Meals on Wheels deliveries, too!!!

I got to chat for a while with one mother about her pending move out from the hotel. She was so appreciative that people in the community would take time and effort to provide them with help at a difficult time. It's what Family Promise calls "the Secret Sauce," our personal touch that sets this program apart from a typical shelter. It is inspiring to the families at the worst of times.

I'm happy to report that Brenda found permanent housing, and Renee actually got a new job at the hotel! Way to impress the staff!

In the midst of the pandemic, we've been unable to do the normal church shelter plan, and in July, Family Promise began utilizing a hotel-stay model. That program has ended, and we can expect to be serving two families in April at the Hospitality Center on Milltown Rd. Family Promise continues to explore options to lend their support to families during this challenging time.

Stay tuned for our next service week of 4/18.
