

## WHAT TO EXPECT FOR IN-PERSON WORSHIP:

St. Barnabas' will be allowing full capacity provided a 3-foot social distancing is adhered to.

St. Barnabas' will no longer require the wearing of masks for vaccinated individuals. We strongly encourage those who are not vaccinated to continue to wear a mask. We do respect those who wish to continue to wear a mask and encourage you to do so. We will provide masks for anyone who needs one.

Singing **will be permitted** with three feet social distancing.

The Book of Common Prayer (BCP) and the hymnals **are** in the pews.

The pews will be marked off every other pew to maintain three-foot distancing. Members of the same family may sit together.

Communion will still be in one kind only. No wine will be distributed at this time. Our ushers will direct those who wish to receive Communion to the altar at the appropriate time. You may consume the sacrament once you are back in your pew.

Gluten-free hosts will also be available. Please let the priest know when you come to the altar rail if you require one. If you wish to receive a blessing instead of Communion, cross your arms over your chest.

Offerings can still be left in the collection basket at the back of the church.

Pay special attention to places where you enter or exit the church as these are places of increased density.

Please take your bulletin with you when you leave.

The Lounge, Office and Great Hall are reopened.

Hand sanitizer is available in the pews and the back of the church.
